

One-day continuing professional development course

Raising motivation and achievement in GCSE mathematics

London N7 Monday 14 July 2008

£205 (VAT-exempt)

Places are limited
so please book
without delay.

This new and intensive workshop-style course

- is suitable for teachers who are using or considering using SMP materials, as well as for those who simply want to put some sparkle into their lessons with approaches that students enjoy and lead to better understanding
- is led by members of the SMP's experienced development team
- focuses on using a variety of approaches, including classroom discussion and activities that are tangible and motivating
- deals with the 'using and applying' aspect that will be assessed in the written examinations now that GCSE coursework has ceased
- addresses assessment for learning and shaping work to student needs
- looks ahead to functional mathematics and helps you prepare for this now with your current key stage 3 pupils

Please detach the form below and post it to SMP Office, 5 St Denys Road, Southampton SO17 2GN

We will issue an invoice to the school on accepting an application; payment is due within 30 days or before attendance on the course, whichever is sooner; if you have paid with your application, the invoice will be marked 'received'.

If you do not receive an acknowledgement within ten days of your application, please phone us on 023 8051 6960.

A light lunch and refreshments will be supplied.

If we have received full payment we will at least two weeks before the course date send full details of the event and its location; otherwise we will send these details when payment is received.

If your application reaches us after a course is fully subscribed we will refund in full any payment made and give you early notice of any future course organised in your area.

Because of the high cost to us of venue deposits, if for any reason you have to withdraw from the

course and cannot arrange for a teacher from your school to attend in your place, we can only give a refund on the following basis: withdrawal more than 12 weeks before the course 90% refund; withdrawal more than 4 weeks before the course 40% refund; withdrawal less than 4 weeks before the course no refund.

In the event that applications for a course are below a level at which it is feasible for us to run it, we reserve the right to cancel it and make a full refund.

Application for one-day course in London on Monday 14 July 2008
